# Message from the Director

---

## Dear Parents, Students and Well-Wishers

January 2026 has been a truly vibrant and eventful month for Royal Global School—filled with celebrations, achievements, learning experiences and meaningful initiatives. The year began on a noble note with our Grade 11 Commerce students undertaking a community outreach programme, donating dry rations to the needy. This thoughtful gesture reflected the values of empathy and social responsibility that we strive to nurture in our learners.

The month resonated with energy and creativity. The Inter-House Band Competition brought a new musical spirit to our campus, while our talented young sportspersons continued to make us proud. Congratulations to Jayraj Debnath and Jayashish Debnath for their outstanding performances at the 34th All Assam Inter District Artistic Gymnastics Championship, to Mishka Singhal for her success at the Junior Roll Ball National Championship, and to Dev Goyal for winning gold in Mixed Martial Arts. These accomplishments remind us that dedication and perseverance always bear fruit.

We paid rich tribute to national icons and cultural traditions through meaningful celebrations—honouring Swami Vivekananda on his birth anniversary, observing Silpi Divas in memory of Jyoti Prasad Agarwala, celebrating the spirit of Magh Bihu, Saraswati Puja, and commemorating Netaji Subhash Chandra Bose. Each of these occasions helped strengthen our students' connection with their heritage and values.

Learning beyond classrooms remained a strong focus. Field trips to Sualkuchi, the Botanical Garden, the Brahmaputra River Heritage Centre and the Regional Science Centre provided our students with enriching experiential learning opportunities. Debates, exhibitions such as “My Tribe, My Pride,” Youth Parliament sessions, environmental initiatives, and debating competition on the role of AI in education encouraged critical thinking and global awareness.

One of the most emotional moments of the month was the heartfelt farewell to the Class of 2026. As they prepare to step into a new chapter of life, we wish them success and fulfilment in all their future endeavours.

The month concluded with the proud celebration of our 77th Republic Day, reminding us of our constitutional duties and the role of education in building responsible citizens. We also deeply valued the interactive session with parents of Early Years and Cambridge curriculum students from Grade 1 to 4, reinforcing the importance of collaboration between school and home.

I congratulate our students, teachers and parents for making January such a memorable and productive month. As we move ahead, let us continue to work together with enthusiasm, commitment and a shared vision of excellence.

Warm regards,

**Dr. Arup Kumar Mukhopadhyay**

Director

Royal Global School

# Serving the society : A Visit to Sukleswar Temple

Prince Kumar Prasad, Grade 11-C

On 10th January 2026, four volunteer students from grade 11 Commerce , Prince Kumar Prasad, Jeritt Yanglem, Md. Mahfuzur Rahman Moni and Nujasar Brahma along with their teacher coordinator Dr. Karabi Das visited Sukleswar Temple. The objective was to start the new year with noble deeds. Therefore as a community service program, students have donated dry rations to the needy people residing outside the temple. The visit helped the students to understand the stark reality of society and strengthen their commitments towards it. ◆◆

# WOODSTOCK

## Interhouse House Band Competition

Swapnil Goswami, Grade 9-D

Our school Colosseum turned into a super lively music arena during the Inter-House Band Competition. All four houses—Vivekananda, Mother Teresa, Tagore, and Gandhi—performed with full energy and spirit, making the event one of the most enjoyable ones of the year.

The show opened with Vivekananda House, who performed Holo Lolo. Their performance was energetic, catchy, and instantly grabbed the audience's attention. Next up was Mother Teresa House with the song Inteha. Their band delivered it smoothly with great coordination between the vocalists and the instruments.

After that, Tagore House took the stage and performed with confidence and style. They had a strong stage presence with a song by the one and only Zubeen Garg, and the audience enjoyed their rhythm and confidence throughout. The event closed with Gandhi House, who performed Garaj Garaj and absolutely charged up the atmosphere. Their drummers, guitarists, tabla player, and pianist really stood out, and the audience responded with loud cheers.

Everyone performed with enthusiasm and teamwork, and it was nice to see genuine support between the houses too. Overall, the Inter-House Band Competition was fun, energetic, and memorable. ◆◆

# Budding Sportspersons of RGS

Indira Bardalaye Deka, Homeroom Teacher - Grade 6D

Jayraj Debnath and Jayashish Debnath made us proud by winning medals at the 34th All Assam Inter District Artistic Gymnastics Championship 2025-26. Jayraj won 2 Gold medals. Jayashish won 1 Gold, 2 Silver and 2 Bronze medals.

Mishka Singhal, another budding sports person was the winner of the Junior Roll Ball National Championship held at Jammu.

Dev Goyal won a Gold Medal in the Mixed Martial Arts Junior Category ( Feather Weight Division) in the Dojang Fight League in the Nationals. ◆◆

# Honouring Swami Vivekananda on his Birth Anniversary

Jinisha Bharali, Grade 8-C

On the occasion of Swami Vivekananda's birth anniversary, Ms. Neha Sayal (Vivekananda House Master) and the students of Vivekananda House organised a meaningful and well-conducted assembly to honour his life and teachings. The programme was graced by the Director Dr. Arup Kumar Mukhopadhyay, Vice Principals Ms. Binita Jain, Ms. Anita Varma, and Dean of Activities Mr. Sushant Choudhury .

The program began with a serene lantern-lighting ceremony followed by the garlanding of Swami Vivekananda's statue. A key highlight of the programme was the impactful declamation by Vatsal Goenka of Grade 8B, who impersonated Swami Vivekananda and left the audience deeply inspired. The Director while addressing the gathering emphasised on the relevance of Swami Vivekananda's teachings and ideals in today's world. ◆◆

# Pre Bhogali or Magh Bihu celebration at Royal Global School

Sia Sonthalia, Grade 9-B

On 13th January, Royal Global School celebrated the Pre-Bhogali or Magh Bihu Festival with great enthusiasm and cultural fervour, bringing together students from Grades I to XII to rejoice in the spirit of Assam's traditional festival.

The programme commenced with a melodious Bihu song, which beautifully set the festive mood. This was followed by an energetic and graceful Bihu dance performance by the students, showcasing Assam's rich cultural heritage through rhythmic movements and traditional attire.

Thereafter, the Director of the school addressed the gathering, highlighting the importance of preserving cultural traditions and encouraging students to respect and celebrate their roots.

The celebration concluded with the symbolic burning of the Meji, representing the end of negativity and the beginning of new hopes and prosperity.

The Pre-Bihu celebration was a joyful and memorable event that fostered cultural awareness and unity among the school community. ◆◆

# Exhibition on Historical Monuments of the World

Gautam Jain, Grade 8-D

Royal Global University organized an exhibition titled “Historical Monuments of the World,” in which students actively participated by showcasing models of renowned monuments. As part of the exhibition, my group presented a detailed model of the Brihadeeswara Temple of Tamil Nadu, India. The model was created after thorough research on the monument’s historical background, architectural features, and cultural significance, and was constructed using materials such as cardboard, jute, cotton, and colors with great precision.

During the exhibition, the model was explained to visitors and judges, which helped enhance confidence and communication skills. The efforts and presentation were highly appreciated, and the model was awarded the third-prize. The exhibition proved to be an educational and enriching experience for all involved. ◆◆

# National Environmental Youth Parliament

Giya Jain, Grade 8-B

I, Giya Jain of Grade 8, had the privilege of participating in the Zonal Level of the National Environmental Youth Parliament 2026, held on the 8th and 9th of November 2025 at the Assam Legislative Assembly, Dispur. After clearing the State Level round conducted online, both my fellow participant, Navya Harlalka, and I qualified for the Zonal Level, where delegates from across the region engaged in meaningful discussions. Following the zonal round, I was selected among the sixteen delegates, out of over 150 participants, chosen to represent Assam and the North East at the National Level, scheduled to be held on the 14th and 15th of February 2026 at the Maharashtra Legislative Assembly, Nagpur. The event, organized by Students for Development, Assam, as part of an initiative towards Viksit Bharat, provided an exceptional platform for young voices to engage in significant law and policy-oriented discussions. The sessions were graced by the presence of distinguished dignitaries such as Padma Shri Jadav Payeng, the Forest Man of India, and Shri Biswajit Daimary, Hon'ble Speaker of the Assam Legislative Assembly, whose insights elevated the entire experience. Over the two days, we deliberated on topics including the application of Artificial Intelligence in environmental monitoring and the escalating urbanization and waste management challenges in North East Indian cities. Being part of such a nationally significant forum has strengthened my commitment to environmental leadership, and as I prepare for the National Round, I carry forward both the responsibility and inspiration to contribute meaningfully to a cleaner and more sustainable India. ◆◆

# A Proud and Emotional Farewell to the Class of 2026

Ayaan Bhartia, Grade 11-C

---

“Every farewell marks the end of a chapter, but it also opens the door to countless new beginnings.” Royal Global School, Guwahati 20 January 2026

With pride, gratitude, and a quiet sense of emotion, Royal Global School bid farewell to its Grade 12 students in a solemn Graduation Ceremony. The outgoing batch was welcomed into their alma mater with a traditional tilak on their foreheads, symbolising blessings, respect, and the beginning of a new journey beyond school.

The ceremony commenced with the Academic Procession, led by the Director, Dr Arup Kumar Mukhopadhyay, carrying the Lamp of Continuity. Dressed in their graduation gowns, the students marched forward with confidence and dignity, marking a defining milestone in their academic lives. The mood for the evening was beautifully set by the school choir through the school song, followed by the felicitation of the Chief Guest and the Saraswati Vandana.

The Valedictory Ceremony formed the heart of the programme. Certificates were presented to meritorious students for their extraordinary achievements by the Chairman and the Chief Guest, recognising years of dedication, perseverance, and growth. A specially curated video reminiscing the students' learnings and memories from their school days served as a deeply touching tribute, bringing back moments that shaped them into who they are today.

In his address, Dr Arup Kumar Mukhopadhyay described the occasion as a proud and momentous day for the graduating students. Through the examples of two successful individuals—one who gave away his assets and another who built a trendy car—he encouraged students to reflect on the path they wished to walk upon. While ambition is important, he reminded students to live a life of purpose. “Be ambitious, but stay humane,” he concluded, leaving a lasting impression on the audience.

The Chairman of Royal Global School, Dr Ashok Kumar Pansari, urged students to never miss an opportunity to listen and to read. His words offered reassurance to those anxious about academic performance, as he reminded them that marks do not define success and that many great achievers rise later in life. Emphasising that life goes far beyond academics, he stressed the importance of being good human beings with strong values. He cautioned students against making money their sole aim and firmly

advised them to never earn through illegal means. With examinations approaching, he asked students not to be stressed, reminding them that while destiny cannot be fought, effort must never stop. He concluded by encouraging students to remain grateful to their parents and move forward with a positive attitude.

The Chief Guest, Srimati Keerthi Jalli (IAS), Commissioner of Panchayat and Rural Development, congratulated the graduating batch and highlighted the importance of belonging to a good school, as it plays a crucial role in shaping one's life. She spoke about resilience in the face of failure, the courage to face life's challenges, the importance of discipline, and the value of being a team player. She concluded her address by stating that true happiness comes from contributing meaningfully to society.

Adding an emotional touch to the ceremony, the Head Boy Shaurya Khemka and Head Girl Devangi Jalan shared that the moment felt heavier as it was the last time they stood together as school students. They spoke fondly of the school that shaped them and the countless memories created within its walls.

The ceremonial handing over of the Lamp of Continuity to the Head boy (elect) Dev Goyal and Head girl (elect) Bhargavi Devi marked a befitting conclusion to the ceremony, symbolising the passing of values, legacy, and responsibility to the next generation.

The farewell was not merely a goodbye, but a celebration of growth, memories, and hope for the future—a moment that will remain etched in the hearts of all present.

# Inter-Class Debate Competition 2026

Topic: “This House Believes That AI Can Help Students Learn Better”

Ishanvi Siotia, Grade 4-B

On 19th January, the Broadway hall hosted a vibrant debate between Classes 4 and 5. The motion explored the transformative role of Artificial Intelligence in the modern classroom.

## The Arguments

The Proposition (Class 4): Ishanvi Siotia, Samaria Jalan, Samaria Agarwal, Saisha Saboo, Yashvee Garodia, and Ivan Dey argued that AI is a powerful 24/7 tutor. They highlighted its ability to provide personalized learning paths, support students with disabilities via accessibility tools, and free up teachers' time by automating grading.

## The Opposition (Class 5):

Isam, Aishani, Sofika, Aastik and Druvika countered by focusing on the human element of education. They warned against "intellectual laziness," the potential for a "digital divide" between students, and emphasized that machines lack the empathy and moral guidance provided by human mentors.

## The Verdict

Following a spirited rebuttal round, the panel of judges — Miss Anita Varma, Dr. Kiran Gogoi and Nabojyoti Gupta, — praised all participants for their poise and research. Team Class 5 was declared the overall winner for their persuasive evidence, and Druvika was awarded the title of Best Speaker. ◆◆

# Visiting Assam's heritage-Sualkuchi

Banashree Neog Baruah, Homeroom Teacher - Grade 2C

The students of Grade 2 of RGS had a wonderful educational trip to Sualkuchi Museum (Vastra Udyan) and a Weaving Centre on 22nd January, 2026. It was a fun-filled and learning experience for everyone.

At the museum, the children saw many beautiful traditional clothes and old tools that showed the rich culture of Assam. The teachers explained how silk is an important part of our heritage, and the children listened with great interest.

After that, the students visited a weaving centre. They were excited to see how silk threads are woven into lovely mekhela chadors and sarees. The weavers showed them the looms and explained how much hard work and skill is needed to make each cloth. The children were amazed to watch the weaving process.

The trip helped the students learn about Assam's culture and tradition in a very interesting way. Everyone returned to school happy, tired and full of new knowledge. It was truly a memorable day for all. ◆◆

# Educational Trip to Botanical Garden, Fancy Bazar, Guwahati

Ganga Basumatary, Homeroom Teacher - Grade 1C

Grade 1 students of Royal Global School, Guwahati, enjoyed a memorable educational trip to the Botanical Garden in Fancy Bazar on 22nd January, 2026. Surrounded by fresh air and greenery, they eagerly explored various plants, observing vibrant flowers, leafy greenery, and tranquil water plants in the ponds. The children were fascinated by the tall, majestic trees and the smaller ones nearby, discussing their shapes, sizes, and how trees help keep our Earth healthy. They also showed curiosity about the soft green grass and loved spending time outdoors. Filled with smiles, laughter, and lots of learning, the visit was both fun and refreshing, making it a day to remember close to nature! ◆◆

# Honouring Jyoti Prasad Agarwala on Silpi Divas

Mugdha Devi, Grade 6-A

The boarders of Royal Global School celebrated Silpi Divas to commemorate Jyoti Prasad Agarwala with heartfelt enthusiasm near his bust.

The programme began with an assembly in the presence of Vice Principal Ms Anita Verma and faculty member Ms Gitarthi Goswami whose words inspired the students to value cultural heritage and responsibility. As rightly said, “Cultural heritage is the soul of a community, and responsibility is its guiding light.”

Gwen delivered a moving and insightful speech highlighting Jyoti Prasad Agarwal’s immense contributions to Assamese literature, music, cinema, and the freedom movement, emphasizing that “Some legacies are not carved in stone, but etched forever in the hearts of people.”

The pinnacle of the programme was the garlanding of Jyoti Prasad Agarwal’s bust by two students, followed by a collective floral tribute symbolising unity, gratitude, and reverence.

The celebration concluded on a meaningful note, leaving students with a deep appreciation of cultural legacy and a renewed sense of community spirit, aptly echoed in the words: “A true legacy lives on in the values it inspires and the minds it enlightens.”

# Bonding with Animals at the Assam State Zoo

Sushmita Chakraborty, Homeroom Teacher - EY 3A

Early Years kids had an unforgettable educational trip at the Assam State Zoo on 20th January. They got up close to roaring leopards, majestic deer, hippopotamus, sleek black panthers, playful monkeys, colourful birds, and slithery snakes. The trip was a perfect blend of fun and learning, sparking curiosity about wildlife conservation. It was so much fun walking and watching all the animals. It was a happy day for the tiny tots. ◆◆

# Celebrating Bhogali Bihu

Sushmita Chakraborty, Homeroom Teacher - EY 3A

Our early years' children got a taste of the vibrant Bhogali Bihu celebration. They learned about the significance of Magh Bihu, Meji, and even got hands-on experience making traditional delights like pithas. They grooved to the beats of Bihu songs! This fun-filled experience not only introduced them to Assam's rich cultural heritage but also created wonderful memories. ◆◆

# A visit to Shahid Smarak Kshetra, Boragaon

Sehnara Rahman, Homeroom Teacher - Grade 3B

With curiosity and respect in their hearts, the students of Grade 3 embarked on an educational trip on 24th January 2026 to Shahid Smarak Kshetra, Boragaon. The visit offered them a meaningful opportunity to learn about the bravery and supreme sacrifices made during the Assam Agitation Movement.

Out of the 860 martyrs commemorated, the children were deeply engaged and amazed to witness 540 busts displayed in the gallery. They also paid homage at the Swahid Pranam Jyoti and explored the library-cum-archive, which provided valuable insights into Assam's history and heritage.

The experience left a lasting impression on the young minds, inspiring respect, gratitude, and patriotism. ◆◆

# AI - Friend or Foe

Nikita Borah, Grade 9-D

The topic for the Round Square meeting held on 21st of January, 2026 was if AI is considered a friend or a foe. After a brief introduction to the topic, we were separated into breakout rooms.

Our first discussion focused on how AI can be used to calm ourselves, an important topic for us young adolescents in today's changing world

We then discussed how AI can be used to make learning and other personal activities easier.

The third topic explored how AI helps us learn about various cultures and perspectives, reducing biases if implemented properly.

We also discussed Digital Detox and how setting small screen limits can help improve our balance in life with AI.

The fifth and final point of discussion was on encouraging our peers to use AI in a meaningful way. We then concluded by reviewing our session and the various points of discussion. ◆◆

# Celebration of Saraswati Puja

Saumyaa Sikaria, Grade 11-C

Goddess Saraswati symbolizes knowledge and wisdom, and on her special festival Vasant Panchami, the students of Royal Global School celebrated with devotion and reverence. The school premises were decorated and filled with the sound of tranquil hymns that contributed to the calm and peaceful mood.

Students in ethnic attire enthusiastically participated in the celebration and prayed to the Goddess of learning and knowledge. The Saraswati Puja commenced with the chanting of Saraswati mantras followed by Aarati and the ceremony concluded with Pushpanjali.

The ceremony was graced by Chairman Royal Global School, Dr. A. K. Pansari, Director Dr. Arup Kumar Mukhopadhyay, EVP of Gyan Sagar Foundation Mr. Ankur Pansari, Executive Directors Ms. Sikha Modi Pansari and Ms. Harsha Pansari, Vice Principals Ms. Binita Jain and Ms. Anita Varma, along with the faculty members, students, and staff of the school.

The Saraswati Puja celebration concluded with the distribution of Prasad, followed by a community meal of khichdi that created a feeling of unity and solidarity among the attendees.

# Celebration of the Birth Anniversary of Netaji Subhas Chandra Bose

Anayika Sarkar, Grade 11-E

Royal Global School commemorated the birth anniversary of Netaji Subhas Chandra Bose by organising an interactive session on 22 January 2026 under the Virasat Volumes Lecture Series. The session was conducted by Dr. Susmita Banerjee, Assistant Professor of History and Indian Knowledge Systems. Speaking on the theme “Netaji Subhas Chandra Bose: The Rebel Who Redefined Patriotism,” Dr. Banerjee highlighted Netaji’s revolutionary ideals and his vision of patriotism based on courage, discipline, sacrifice, and ethical responsibility. She emphasised that true patriotism extends beyond symbolic nationalism and is reflected through responsible action and service to the nation. The session was insightful and inspiring, encouraging students to reflect on their roles as responsible citizens and to imbibe the values upheld by Netaji Subhas Chandra Bose. ◆◆

# Nurturing Futures: Making a Difference

Pratiksha Das, Grade 11-E

On 11 January 2026, the students of Grade 11 Humanities participated in the Nurturing Futures initiative, an experience that helped us understand the true meaning of empathy and social responsibility. Along with our homeroom teacher, Pooja Bhattacharjee, we came together to support Nishmita Shuklabaidya from Ananda Marga Ashram by contributing 50% of her admission fees for a Fashion Designing course at ITI.

This initiative allowed us to realise how small efforts, when combined, can create a meaningful impact. Contributing towards Nishmita's education made us feel proud and responsible, as we were able to play a part in supporting her dreams and future.

The initiative was not limited to financial help. We also spent quality time with our buddies and presented them with thoughtful gifts. These moments of interaction helped us connect on a personal level and made the experience more meaningful.

Through the Nurturing Futures initiative, we learned valuable lessons about kindness, compassion, and social responsibility. It reminded us that education goes beyond academics and plays an important role in shaping us as responsible individuals. ◆◆

# Republic Day Celebration

Kreeshha Jain, Grade 11-A

Royal Global School Guwahati, celebrated the 77th Republic Day on 26 January 2026 with great zeal and patriotic fervour. The occasion was graced by Chairman Dr. A. K. Pansari, Co-Chairman Shri A. K. Modi, Director Dr. Arup Kumar Mukhopadhyay, EVP Mr. Ankur Pansari, Executive Director Ms. Harsha Pansari, Vice Principals Ms. Binita Jain and Ms. Anita Varma, faculty members, parents and students.

The programme began with the felicitation of the Chief Guest Shri Kamal Kumar Jain, followed by sapling plantation symbolising growth and sustainability. The unfurling of the National Flag, accompanied by a flute recital and the National Anthem, created a serene and patriotic ambience. The march past led by Mriganka Kaustav Bora, along with the school band and security guards, added grandeur to the ceremony.

Addressing the gathering, Director Dr. Arup Kumar Mukhopadhyay highlighted the theme celebrating 150 years of “Vande Mataram” and emphasised the role of education in nurturing responsible, inclusive and compassionate citizens. The Chief Guest spoke about the sacrifices of freedom fighters and reminded students of their constitutional duties along with rights.

The cultural segment featured patriotic songs, a mesmerizing dance performance and a skit depicting the birth of Vande Mataram. The celebration concluded with the Vote of Thanks. ◆◆

# Model making competition

Rupal Jain, Grade 8-D

A competition was held at The Assam Royal Global University, in which the Sanskriti – History and Heritage Club of Royal Global School participated enthusiastically with 23 students. The competition included Exhibiting and Presenting Models on Historical Monuments and On-the-Spot Model Making on the theme “Traditional Dwelling Houses of the Northeast.”

An insightful workshop on traditional dwelling houses was conducted prior to the event, helping students gain deeper knowledge and understanding.

In the Exhibiting and Presenting Models category, Gautam Jain (VIII D), Ayaan Khemka (VIII A), Viraa Agarwal (VIII B), and Gatik Agarwal (VIII B) won the 3rd Prize for their model of the Brihadeshwara Temple.

In the On-the-Spot Model Making category, Sia Sonthalia (IX B), Tieara Agarwala (IX B), and Hriday Raj Deka (IX A) secured the 3rd Prize for their model of the Chang Ghar of the Mising community.

Organised by INTACH, the exhibition proved to be an enriching and memorable experience. The judges were warm and encouraging, patiently listening to each presentation and appreciating the students' creativity, research, and efforts, making the event truly rewarding for all participants. ◆◆

# Visit to Brahmaputra River Heritage

Krishna Agarwalla, Grade 4-D

Students of Grade IV went on an educational trip to the Brahmaputra River Heritage Centre. It was a bright day, and the journey in the school bus was enjoyable. On reaching the museum, the students entered in an orderly manner.

The Heritage Centre, once the District Commissioner's bungalow, showcases the history of the River Brahmaputra. Students saw Assamese handloom fabrics, antique furniture, old books, cameras, and projectors. Various traditional musical instruments were also displayed. The centre also had exhibits like cable cars and a lighthouse.

The calm view of the Brahmaputra and the beautiful garden with blooming flowers added to the experience. The trip was educational, enjoyable, and memorable for all.

# My Tribe, My pride

Advika Agarwal, Grade 11-E

Students of grade 11 Humanities organized an exhibition titled “My Tribe, My Pride” as part of our History curriculum to explore the culture, traditions, and historical significance of various tribes of Northeast India. This activity allowed us to go beyond textbook learning and gain a deeper understanding of indigenous communities and their contributions to our society. Students worked in groups, with each group representing a different tribe such as the Ahom, Khasi, Mising, Koch, Rabha, and others. Through well-prepared charts and informative displays, we presented important aspects of tribal life, social practices, and cultural heritage.

The main highlight of the exhibition was the display of original traditional clothes. Students brought authentic tribal garments, giving everyone the opportunity to closely observe the weaving patterns, colors, and unique designs that reflect each tribe’s identity, environment, and way of life. We also shared knowledge about herbal and traditional medicines practiced by tribal communities, which showed their deep connection with nature and their wisdom in using natural resources for healing. The exhibition also emphasized the historical contributions of tribes, especially the Ahoms, who hold a significant place in the history of Assam. Overall, the exhibition was both informative and engaging, helping us appreciate India’s cultural diversity and develop respect for the rich heritage of tribal communities. ◆◆

# Mock Indian Youth Parliament organized by the Royal Global School

**Navya Harlalka,**  
**Speaker of the Mock Parliament, Grade 8-B**

On 24th January 2025, an event was organized by the fellow students of classes 9 and 11 of RGS. The event highlighted the actual parliamentary proceedings, showcasing a panel of educational information which was beyond academics. The agenda was-"Escalating Climate Crisis and its impact on humanity and the future". The first speaker who was the Prime Minister had introduced the agenda and shared its aspects of the debate, which led to the debate on the topics and bills. Moving forward the leader of the opposition shared her words opposing the proposition. Next there was the question hour, where all the opposition questioned the rights of the proposition, it was a wonderful discussion put up. After the question hour, the zero hour was laid onto the floor for the opposition, proposition, and even the audience to engage in. After a spectacular exchange of phrases, it was time to move forward with the resolution. The PM gave out the resolution and voting was made, and seeing the outcome of the voting the agenda was passed. And the house was adjourned.

# Unraveling the wonders of Science at Regional Science Centre

Amaaya Vashist, Grade 5-B

The students of Grade 5 got an amazing opportunity as they visited The Regional Science Centre in Guwahati which was opened in 1994 and is the first science centre in all of Northeast India. The weather was nice and cool, which made the trip even more enjoyable.

### What we Saw and Did There

#### Inside the museum building

Fun Science Gallery — This gallery has more than 50 experiments. We played with mirrors that made us look funny, tried tricks with light and sound, and learned about gravity by pushing balls and objects.

Dome Theatre — The tilted dome theatre was wonderful. We watched a show about space and planets. The curved screen made it feel like we were flying through the stars.

#### Outside in the Science Park

Dinosaur Park — Huge dinosaur statues stood tall, and they looked very real. There were some statues of cavemen as well as other creatures.. We learned how plants can be like natural medicines.

Fighter Plane (MIG-21) — There was a real fighter plane standing in the park near the entrance.

Nitrogen Show — We watched a really cool live science show about liquid nitrogen. The presenters showed how things change when dipped into liquid nitrogen. Balloons shrank, flowers became hard and broke like glass, and foggy clouds appeared when nitrogen touched water. It was exciting and felt like magic, but it was all about science. The Regional Science Centre is the best place to learn science! ◆◆

# Highlights of Sports Achievements – January 2026

Our students have showcased remarkable performance in the field of sports during the month of January, 2026. They have brought laurels to the school by excelling in both Intra Class, Inter House competitions and various Inter School events. Their dedication, discipline, and sportsmanship were truly commendable. The key achievements for the month are outlined below:

## INTRA SECTION, CLASS/INTER HOUSE SPORTS RESULTS

Sl. No.	EVENT	GOLD	SILVER	BRONZE
1.	CHESS EY-III (BOYS)	DIANSH MOUR -EY III B	NIRVAAN KASHYAP- EY III A	KIYAAN BHATTAR-EY III A AARAV AGARWAL-EY III B
2.	CHESS EY- III (GIRLS)	VARNIKA KEJRIWAL EY- III B	RIVA VYASEY- III A	AMAIRA PANSARI EY-III A NITHYA LADIA EY- III B
3.	CHESS GRADE I (BOYS)	AKSHAT BHUWANIA – I B	ARMAAN CHOUDHARY- I A	VIAAN KOTHARI- I A
4.	CHESS GRADE I (GIRLS)	SAMAYA PANSARI- I A	SANAYA CHOUDHURY- I B	BHAVYA JAJODIA- I C

# DEAR PROGRAM

Prema Devi, Librarian Primary Wing

The school joyfully celebrated the DEAR (Drop Everything and Read) Readers' Certificate Distribution for students of Primary and Senior school recognising their sincere efforts in developing a regular reading habit. The DEAR program, conducted every week, has become a much-loved routine where young learners pause from their daily schedule to enjoy quiet reading time.

Certificates were awarded to students who consistently participated in DEAR time, maintained reading discipline, and thoughtfully shared reflections on the books they read each month. The focus remained on regularity, interest in reading, and the ability to express ideas in simple yet meaningful ways, encouraging children to read with understanding and joy.

# An interactive session with the parents of Early Years III

Doli Barman, Homeroom Teacher - Grade 3A

The school conducted an interactive session on 31st January 2026 with the parents of Early Years III and Cambridge Curriculum students of Grades I-IV, focusing on key academic milestones. Early Years III and I-IV parents attended a curriculum orientation session comparing CBSE and Cambridge, supporting informed choices for their child's next stage of learning.

Parents of students currently enrolled in the Cambridge curriculum participated in a reflective discussion on the one-year Cambridge journey, sharing classroom experiences, student progress, and the strengths and challenges of the programme.

We thank our parents for their active participation and valued engagement. ◆◆
