

CIRCULAR FOR PARENTS (Growth Assessment Survey for Students - 5th December, 2025)

Dear Parents,

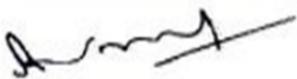

We would like to inform you that a team of medical experts from Pune, working under the guidance of **Dr. Vaman Khadilkar** and **Dr. Anuradha Khadilkar**, will be visiting our school on **5th December 2025** to conduct a **Growth Assessment Survey** for students aged **5 to 18 years (EY-3 to IX & XI)**.

As part of this national initiative, the team will record **students' height, weight, and head circumference**. The data collected will contribute to the development of updated Indian growth charts, incorporating region-specific information to ensure more accurate and meaningful assessment of children's growth patterns.

If you have any concerns or **do not wish your ward to participate** in this survey, kindly inform your ward's homeroom teacher **by today**.

Thank you for your cooperation and support.

Warm Regards,

Dr. Arup Kr. Mukhopadhyay

Director, Royal Global School
