

Invitation to Grandparents' Day Celebration

(Saturday, 15th November 2025, at 9:35 A.M.)

Dear Grandparents,

It gives me immense pleasure to invite you to the Grandparents' Day Celebration at Royal Global School on 15th November 2026, Saturday at 9:35 a.m. on the school premises.

This special day is dedicated to honouring the beautiful bond between grandparents and grandchildren — a relationship built on love, wisdom, and shared memories. The event aims to celebrate how grandparents contribute meaningfully to the growth and development of their grandchildren while giving them a chance to relive their own school memories.

It will be a delightful opportunity for our students to proudly share their school experiences with you — to show you what they are learning and even teach you something new in return! The day promises to be one of joy, laughter, and togetherness — a celebration that bridges generations and hearts alike.

To make the occasion memorable, our teachers and students have organised a series of engaging and fun-filled activities, including **games, sports, painting, singing, dancing,** and **special performances**. We are certain these moments will bring immense happiness to both the “**calculator generation**” and the “**AI generation**” — celebrating how learning and love transcend time and technology.

We warmly invite the grandparents and great-grandparents from both the maternal and paternal sides to join us, and if you wish to bring along a close friend who would enjoy celebrating this day with our young learners, they too are most welcome. Our student

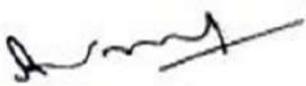

volunteers will be available to assist you throughout the event, ensuring your comfort and convenience. And when you need a little break, our volunteers will happily guide you to a Golgappa and tea stall for a cheerful treat!

Do take some time to visit our **“Bageecha – The Green Grove”**, where you can explore the **Cowshed and Horse Stable**, spend a few moments feeding the animals, and enjoy a **sumptuous lunch accompanied by a performance that is sure to transport you to another world.**

We look forward to sharing this heartwarming day with you — a day to celebrate learning, laughter, and the joy of growing together. Let us together make this event a truly memorable experience, reminding us of all that ageing, like learning, is an adventure filled with fun and grace.

Kind Regards,

Dr. Arup Kr. Mukhopadhyay

Director, Royal Global School
